# Q

EN Formal essentiality, attention to detail and advanced technological solutions. The Q collection represents the aesthetic synthesis and the design process of the company, for this reason the use of the brand's initials. Two pure geometric shapes, superimposed and aligned, to form a new architectural model.

IT Essenzialità formale, cura del dettaglio e soluzioni tecnologiche avanzate. La collezione Q rappresenta la sintesi estetica e il percorso progettuale dell'azienda, per questo l'uso dell'iniziale del brand. Due forme geometriche pure, sovrapposte e allineate, a formare un nuovo modello architettonico.
