dimmer switch.

Exposure to extreme dry or hot environments  
may lead to cracks in the bamboo. These are  
non-structural and do not affect the integrity  
of the bamboo.

### CLEANING INSTRUCTIONS

Before cleaning, lighting fixtures must  
be turned off and unplugged from mains  
electricity. Whilst cleaning please take care  
and use the gloves provided.

Bamboo: Use a lightly damp soft dust cloth  
and gently go over marks until clean. Dry it  
afterwards with a dry soft dust cloth. Dry it  
afterwards with a dry soft dust cloth. If in  
direct contact with water or any other liquid,  
please dry immediately to avoid stains.

Black Powder coated: Use a lightly damp  
soft dust cloth and gently go over marks until  
clean. Dry it afterwards with a soft dust cloth.

Opaline Glass: Remove the opaline glass tube  
from the product. Using a lightly damp cloth,  
clean only the outside of the tube and dry it  
with a dry soft dust cloth. Only put the glass  
bulb back on the product once it is fully dry.
