

## GREENE BED

design David Lopez Quincoces

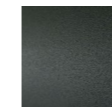

Bed with headboard frame in tubular steel with differentiated density polyurethane foam padding, covered with a 100% polyether lining, bonded to a thermo fixed polyamide velveteen backing, fixed to the bed frame using screws. Loose headboard cushions in prewashed and sterilized goose down, stitched into separate compartments, with a differentiated density polyurethane foam insert. Bed frame made of poplar and pine plywood panels, with polyurethane foam padding, covered with 100% polyether lining, bonded to a thermo fixed polyamide velveteen backing. The panels are attached to a tubular steel frame section 60x30 mm, with black epoxy polyester powder coating. Bed frame made of two divisible parts, featuring an interlocking connection via plates and secured with screws. Steel feet Ø25 mm, with a Gunmetal grey epoxy polyester powder coating.

Floor support provided by plastic tips. Headboard and bed frame upholstery in Cuoietto and leather are not removable; cushion covers only are fully removable using zippers; the fabric version is fully removable using zippers and Velcro fastenings. Slat base cover in 100% cotton, colour écru, fixed to the bed frame upholstery and openable on the sides using two zippers for slat base insertion.

Predisposition for placing slat base, foreseen dimensions:

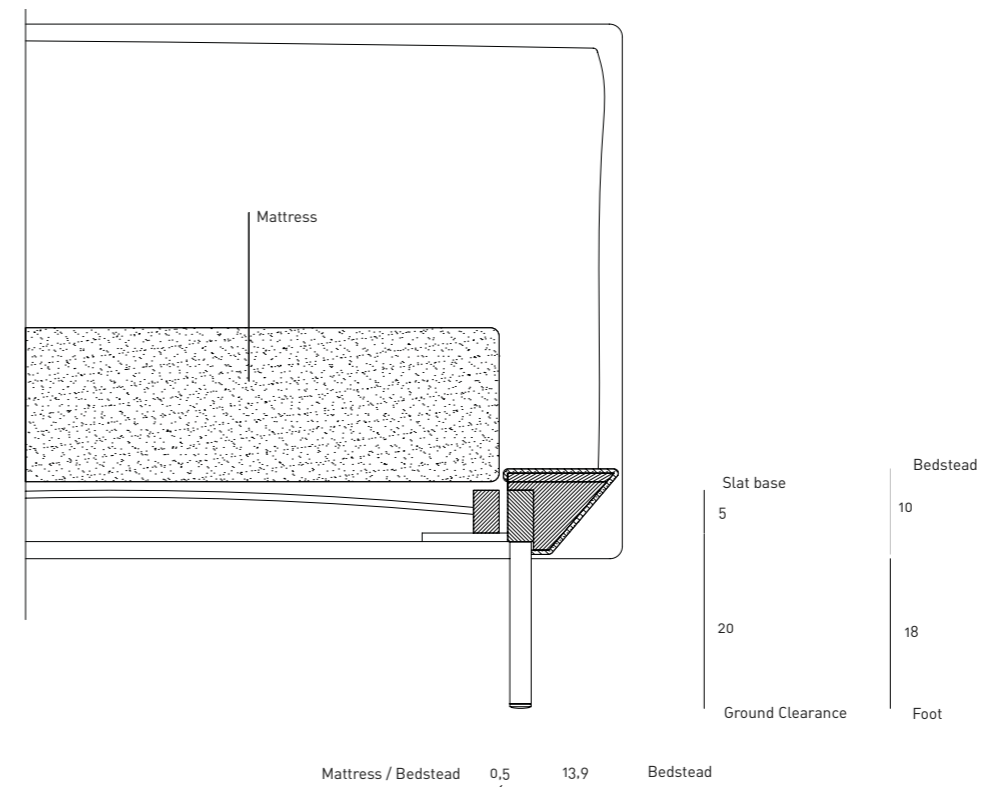

- 153x203 cm Queen size
- 160x200 cm or n°2 80x200 cm
- 180x200 cm or n°2 90x200 cm
- 193x203 cm King size
- 200x200 cm or n°2 100x200 cm
